**BUFFALO SOLDIERS MUSEUM
COMMUNITY BUILDING
HONORING OUR MILITARY LABOR FORCE**

This year Buffalo Soldiers Museum hosted a community building event to honor our military on Labor Day. This cultural event was a Family Fun Day; to include a softball game by our active-duty military persons. This event was a time to show support for all Labor Forces.

The event included fun activities for the children, vendors, and artists. Please find attached some of the images we captured from the day.

A note of “Thanks” and “Appreciation” for your support of our work in education and community. Thank you.
