# 2023 GO GALA SPONSOR IMPACT REPORT

Thanks to sponsor generosity, 95% of the event costs were covered before attendees even walked in the door. The event was a huge success. People locally and from across the United States joined together for a fun evening with a focus on the work of GO. Along with donors and sponsors, GO will continue to make an impact on impoverished children around the globe for years to come.

**GO on the Mission seeks to steward well all that God brings to us– both people and money. Our entire ministry revolves around building healthy relationships with our international partners, churches in the US, sponsors and donors. GO is focused on growth in order to reach more children in poverty.**

**With the funds raised GO will be able to move the mission forward in several ways. \$20,000 can add a new part-time local staff position to help reach more churches, donors & sponsors. \$5000 can add a new international partner, potentially reaching thousands more children. \$2500 can take a pastor on a first-time mission trip. A new pastor from a 2023 mission trip got 35 new students being sponsored upon their return. \$500 funds one grant application, leading to potential funding for partner projects. \$250 covers the monthly cost of an international staff member who coordinates in-country work. The funding this event has produced provides several growth options as opportunities and needs arise.**

**Thank you to each and every sponsor who made this event possible.**
