GENERAL GOALS: In partnership with the community, the Bellingham Childcare & Learning Center, a non-profit corporation, provides high quality, affordable childcare to families of all income levels, assisting low-income families to become self-sufficient. Our well qualified, nurturing staff offers a developmentally appropriate and safe learning environment for young children.

SPECIFIC USE FOR THIS AWARD:

Tuition Assistance for High-Risk Children. These include children in foster care, children remanded to Child Protective Services for parental neglect or abuse, and children who have experienced domestic violence, sexual abuse, and/or unsafe living conditions in the home. We simply can't thank you enough for your generosity. Last year we served 30 high-risk children in tuition support. Every dollar donated by your organization was used for early learning care for these vulnerable boys and girls.
