Participants toured various maritime locations on the Bellingham Bay and Fairhaven waterfronts during Seafood Week (September 22-28, 2024), and during the 2024 SeaFeast Festival weekend (October 5-6, 2024). The Passport Program culminated with turning in the passport for a chance to win a prize at the SeaFeast Festival.</p> <p>This year the Passport Program included 26 local organizations and had thousands of participants . 2024 Passport Program and Festival Photos

Passport participants checked in at the Washington Sea Grant table...

...and played their popular game, Guess the Fish.

At Gabriel's Art Kids, families learn about the importance of recycling to keep our waterways clean.

They also enjoyed a wooden boat building craft, which kids were able to take home.

The Docksider Market at SeaFeast enjoyed thousands of customers buying fresh seafood directly from local fisherfolk.
