Dear Tulalip Cares Board of Directors,

Thank you for your generous 2024 contribution! Your donation of [REDACTED] together with additional Dollars for Scholars funds supported [REDACTED] scholarships given under the umbrella of Arlington Dollars for Scholars. Your donation will help defray the cost of college for these students. This eases some of the financial pressure a student and their family may be feeling. Together we were able to award 123 scholarships (17 college and 106 high school) totaling \$137,580 this year.

Enclosed you will find the thank you notes from the students who received your scholarships this past year.

Together we are changing lives and leaving a legacy that will make our community stronger now, and for generations to come. Thank you for improving the culture and education for youth in our communities.

Sincerely,

Sandy Shelton,
Arlington Dollars for Scholars Secretary

Dear Donor,

I deeply appreciate the support that you have given me through this scholarship. More students in the U.S. need this kind of assistance, and I count myself fortunate for finding someone who is generous enough to provide hope for students to achieve a higher education, regardless of their economic status. Thank you for giving me and other students that hope we need so much.

Sincerely,
Benny Salazar

Dear Tulip Tribes,

I wanted to express my gratitude for supporting my education through this scholarship! I have always loved working with kids, and this support makes my dreams of becoming an elementary or special education teacher even more possible! I cannot wait to get working towards that goal at Western Washington University!

Sincerely,

Madeline Alexander
