Subject: Feeding Washington Grant Report - Q4 2023 14.2
Date: November 7, 2024

Dear Marilyn Sheldon:

We are grateful Tulalip Tribes Charitable Contributions support of Feeding Washington's Rejected Loads Recovery Network.

Over the last six months, your support has contributed towards rescuing food that would have otherwise gone to the landfill. The Rejected Loads Recovery Network rescued 147,478 pounds of food that was distributed to hunger relief organizations between April and September 2024.

Your funding supported providing turning this rescued food into 122,898 meals for an estimated 6000 people. This food included everything from yogurt to bananas and from ketchup to hash browns.

Your funding has set the foundation for years of rescuing food that would otherwise go to the landfill.

In gratitude,

A handwritten signature in black ink that reads "David E. Uhl".

David Uhl
Executive Director
