Dear Marilyn,

We are truly grateful for the grants provided by Tulalip Tribes Charitable Contributions.

Your generous grant of [REDACTED] in 2022 (Code: Q2 2022 14.2) was used to purchase class materials that are unique to Montessori education. With contributions like yours, we were successfully able to launch a new Early Childhood program opening the door to up to 20 students from September 2022. The opening of this new class was much appreciated by our community as there are only a few licensed child care that support working parents.

Your generous grant of [REDACTED] in 2023 (Code: Q2 2023 14.2) was used as part of our scholarship program that allows us to create a more economically diverse community within our school. For the 2023-2024 school year, we were proud to offer scholarships to 9 students, totaling in the amount of \$15,000.

We have an ambitious goal to expand our scholarship program to \$20,000 annually for the next school year.

As a small non-profit school, we rely on and are grateful for the support of our extended community like yours, and we truly appreciate your continuous support.

Sincerely,

Heidi Velin
