Dear Marilyn,

On behalf of the Granite Falls Community Coalition, I want to express our sincere gratitude for the support we received from the Tulalip Tribes Charitable Contributions Fund. This funding supported our holiday meal distribution for Thanksgiving 2023.

We rely on charitable contributions like yours, and other grants and donations to support our food bank in serving over 100 shoppers weekly.

I would love to share more about the work of the Granite Falls Community Coalition and our Food Bank with you and other members of your Tribal Council, if you would like. You are always invited to visit us in Granite Falls or attend one of our events.

Attached please find our report and our thank you for your support.

Together our strength defines our future.

In Gratitude,

Carol

THANK YOU!

On November 18, 2023 The Granite Falls Food Bank Hosted our annual Thanksgiving Food shopping experience. We Served over 300 families in the Granite Falls Community and several families in rural Snohomish County. Each Family was able to come and shop for their favorite Holiday Food Items so they were able to cook a complete Holiday Meal and enjoy time with their friends and family and not worry about the burden of the rising costs of food. We also delivered over 50 holiday meals to our homebound seniors.

We could have not served as many families if were not for the Support of The Tulalip Tribes Charitable Contributions Fund and our Local Grocer IGA.

A very special Thank You to The Tulalip Tribes Charitable Contributions Fund, we were able secure enough food which included fresh vegetables, specialty non-perishable items, desserts and most importantly Turkeys, and other proteins including Whole Roasting Chickens, Cornish Game Hens and other culturally relevant proteins.

We wish to Thank IGA for their continued support with their buy one give one holiday meal program.
