Hello again Ms. Sheldon,

Earlier this year, Tulalip Cares made a generous donation for more playground equipment at Hansen Elementary School. I am excited to share that the new playground equipment was installed this summer and opened September 3rd, just in time for the start of the new school year!

A picture of the new equipment is attached. It was designed to be inclusive so children of all abilities and neurotypes can play, learn and grow together. The kids LOVE it!

Hansen Community Council (HCC), the nonprofit parent-teacher-organization that supports Hansen, and the entire Hansen community thank you for your contribution to this project! Your donation will make a real difference in the lives of thousands of Hansen students for decades to come.

Thank you!  
Katie Stark  
Playground Equipment Committee Chair  
Hansen Community Council
