TULALIP TRIBES GRANT REPORT**

Thank you so much for the generous grant you gifted to Homeward Pet Adoption Center in 2019! We are pleased to share with you the ways your support has made a difference in the lives of pets in our community.

MISSION AND PURPOSE

Located in Woodinville and serving the greater Seattle area, Homeward Pet Adoption Center is a non-profit, no kill animal shelter. We partner with other shelters and rescue groups throughout Washington (and sometimes beyond) and support families in the community who can no longer care for their dog or cat.

Our Mission: We transform the lives of cats and dogs in need through compassionate medical care, positive behavior training, and successful adoption while building a more humane community. Since our founding in 1990, Homeward Pet has helped to save and rehome over 33,000 cats and dogs

USE OF FUNDS

The \$█████ grant from the Tulalip Tribes Foundation has been used to support our Low Cost Public Spay & Neuter Clinic, which provides affordable spay and neuter surgeries to cats and dogs each year.

In 2019, this grant helped to spay or neuter 270 public animals.

Spaying and neutering pets is the best way to prevent overpopulation and animal abandonment. Our Low Cost Public Spay & Neuter Clinic takes place on most Mondays throughout the year and is an ongoing project.
