Dear Tulalip Tribes,

On behalf of Hope Theatre Group, I am writing to express our sincere gratitude for your generous grant of [REDACTED] to help us purchase microphones for our performances. Your support has already made a significant impact on the quality of our productions and the experience we provide to our audience.

With this grant, we were able to upgrade our sound equipment, ensuring that every word and note is crisp and clear during our performances. This fully integrated sound system was used for both of our Summer productions, which means over 40 performers were able to showcase their abilities to the fullest extent, and over 1000 audience members could clearly hear their amazing work. And as these microphones will serve us for years in the future, those numbers will only multiply!

Your commitment to supporting local arts organizations like ours is truly commendable. By investing in Hope Theatre Group, you are helping to foster creativity, culture, and community engagement in our area. We are honored to have the support of the Tulalip Tribes and deeply appreciate your recognition of the importance of the arts in our community.

We look forward to inviting you to our upcoming production of Shrek (January 25, 26, 31, Feb 1, 2) so you can see firsthand the positive impact your generosity has had on our productions. Your support will be on our website, ensuring that our patrons are aware of your valuable contribution to our success.

Thank you once again for your generosity and belief in our mission. Your support will help us continue to bring the joy of theatre to our community for years to come.

With heartfelt appreciation,

Sincerely,
Bill Walles
