Recipients impacted: over 12,000

We want to thank you for your generous gift to help us refurbish the museum's front steps. Along with several other donors, we were able to replace the wood steps with brushed concrete, making ongoing repairs no longer necessary. The steps are being embedded with memorial bricks giving credit to the donors who made the stairs possible, including Tulalip. The new steps should last many years and make it safe and easy for all of our visitors to access the museum.

Please find below pictures of the finished project.

Let me know if anything else is needed.

With Gratitude,
