Hello,

Thank you for the grant to support the Lakewood High School Grad Night.

We had 91 students register for the event. We were able to fully sponsor 14 students. We were able to provide bowling, food, DJ, several photo booths, henna tattoo artist, characteristic, Senior shirts, signs, prizes for all the students, and transportation. It was a wonderful way to end the high school experience. We don't have a URL for the event.

I have attached the photos through Google Photo link below.

We are so thankful for the Tulalip Tribe Support of this event and the tribe's contribution to the community.

Please let me know if you need anything else.
