Grant Report

Peak 7 Adventures | a non-profit adventure company

Dear Marilyn,

We are EXCITED to share the results of our program summer in Seattle with you.

The Tulalip Tribes generously granted [REDACTED] to Peak 7 Adventures to further our Basecamp Program serving youth from King, Pierce and Snohomish Counties in 2023. We presented a grant request for [REDACTED] to be used over 2 years of developing basecamp- based on the smaller amount granted, we utilized all the funding provided this summer rather than reserving funds for 2023.

I am pleased to report that our Seattle team, utilizing the Black Diamond Camps Rainier Campus, served 334 youth participants this summer. Our objective with our Basecamp Program is to provide an 'on-ramp' to outdoor recreation by offering an introductory stand up paddleboarding program on local lakes that would lead to 2 night/3 day Basecamp experience.

Our goal is to gently introduce youth to the outdoors to reduce the fear and anxiety many youth experience when exposed to wilderness settings with a lack of accustomed amenities. Some youth participated in rock climbing or stand up paddleboarding only, while other participated in a full basecamp program which included paddleboarding, hiking and rock climbing experiences. We started strong, and we look forward to further developing this program in the coming program season!

Youth served including children 8 years old and up. Clients served by our Seattle program in 2023 included Hand in Hand, Vine Maple Place, Tacoma Rescue Mission, Mary's Place, New Futures and more.

Thank you for your support and partnership in serving the needs of youth! We look forward to continuing a partnership with you in the future!

I've attached an invitation to our upcoming annual benefit fundraiser and auction. While I realize it's unlikely that Tulalip Tribe representatives will be able to attend,

we would be remiss if we didn't extend our heartiest invitation to come celebrate a successful summer and hear about our new strategic 3 year plan to continue our work in served under resourced and marginalized youth!

Jenny Weddle
