Dear Ms. Sheldon,

Thank you again for the [REDACTED] Rebuilding Together Thurston County received from the Tulalip Tribes Charitable Contributions fund in September 2023. The [REDACTED] was instrumental in supporting Rebuilding Together to make repairs and ADA modifications for 43 homeowners and 70 residents of Thurston County in 2023. We have already helped over 20 homeowners in 2024 and have over 40 applications pending from low income homeowners requesting assistance.

Rebuilding Together helped Diane, a disabled senior homeowner, with grab bars and we modified her bathtub so it is now a walk in unit, enabling her to safely shower for the first time in years. I especially like her pink shower curtain! 15 volunteers spent the morning cleaning up her landscape and removing an old fence that had fallen down, filling a 30 cubic yard dumpster. Volunteers also installed a new wheelchair ramp for Edith and a special grant paid for a new roof for her manufactured home. We installed two grab bars and two wheelchair ramp thresholds for Mae, who struggled to safely bathe and move her wheelchair. Our organization is especially pleased with our new relationship with Miracle Method, a bathtub modification company that modifies tubs so our disabled homeowners can safely access bathtub to shower. RTTC can afford a \$1500 to \$2000 modification versus a \$10,000 to \$15,000 bathroom remodel.

Thank you for your support and helping RTTC help others.

Gratefully,

A handwritten signature in black ink that reads "Cathy".
