Re: Q4 2022 14.2

Dear Ms. Sheldon,

Thank you for helping children cope with grief. Your generous gift of [REDACTED] helped 777 grieving children receive the emotional support needed to rediscover the joy, security, and possibilities that all young people deserve.

With your help, Safe Crossings Program served youth between the ages of 6-18 by providing support through in-home and virtual individual counseling sessions, holiday events, phone or email consultations, and school support such as free grief support curriculum and consultations for school counselors, and crisis response. Additionally, a grief-focused summer camp for children and teens was available as well as training for professionals working with youth who have experienced grief.

Please visit our website at www.safecrossingsfoundation.org to see stories about children and families who were helped by your donation in 2022.

We have attached to this email photographs from programs funded in part by the contributions of Tulalip Tribes Charitable Contributions.

On behalf of the entire Board of Directors and staff of Safe Crossings Foundation, thank you so very much for your continued generous support of children as they cope with grief.

school visits, school group curriculum, consultation to schools including crisis response, and trainings.

Sincerely,

Karen Schrantz
