Salmon for Soldiers is a registered non-profit charity, established in 2013, whose mission is “to offer a sense of normalcy and relaxation to our nation's Veterans through fishing.” The simple act of fishing allows them to relax, enter into new relationships and to learn how fishing can benefit them for a day or a lifetime. Salmon for Soldiers events are designed to accommodate veterans with paralysis, PTSD, TBI and other debilitating challenges. Each year over 400 veterans are given the opportunity to fish with local guides and volunteer boaters through Salmon for Soldiers.

Each year Salmon for Soldiers holds a Day of Honor at the Port of Everett to honor those who have served our nation or who are currently serving in the military. This event is supported by volunteer boaters both veteran and civilian alike. At this year's event we hosted 257 veterans and active-duty military members on 87 volunteer boats. This year we had just over 500 participants. Harbor Marine provides the facility for the event.

Learning to Fish

First Catch of the Day

The day starts at 5 AM with coffee and breakfast. The participants are connected with their boat crew and off they go for a day on the water. Salmon for Soldiers provides lunches for boaters and participants. Boaters

provide everything needed to fish and provide instruction to participants so that they are able to fish on their own in the future.

Salmon for Soldiers, through it's supporters like you, bring together the boaters and participants, provide breakfast, lunch and a BBQ dinner for every participant. We also host a no cost raffle for participants and give away a 16-foot boat, motor and trailer to one of our veteran participants at the end of each Day of Honor.
