Dear Ms. Sheldon:

Save a Forgotten Equine would like to thank you and the Tulalip Tribes Charitable Contributions for the generous [REDACTED] grant to support the expansion of our community outreach program, which is now known as SAFE at Home Community Assistance. Your contribution helped us fund the vet care component of the program and allowed us to support 10 individuals and their 13 horses. These horses received necessary, routine veterinary care when their owners needed a helping hand, preventing unnecessary suffering for both horse and human alike.

Below you will find details requested as part of your grant reporting. Again, we are so grateful for Tulalip Tribes' support. Please don't hesitate to reach out if you have any questions or need any additional information.

Sincerely,

Casey Atchinson  
Development Assistant
