Marilyn Sheldon, Director  
Tulalip Tribes Charitable Contributions  
8802 27th Avenue NE  
Tulalip, WA 98271

Dear Ms. Sheldon,

Thank you for your support of Seattle Children's Chorus! The Tulalip Tribes' generous [REDACTED] contribution was used for our need-based scholarship fund. Providing financial aid to choristers is critical to fulfilling our goal of serving every child who wants to sing, regardless of their ability to pay tuition. More than [REDACTED] was provided in discounts to our choristers in 2023.

*Intermezzo choir (ages 9-12) in concert, December 2023*

In 2023, Seattle Children's Chorus worked with nearly 200 choristers in seven choir programs, and held four public concerts for more than 1,200 attendees. Rehearsals were held weekly with instruction from outstanding music educators, offering advanced choral training for children and youth that is not available at the public school level.

We would love to welcome representatives from the Tribes at any of our concerts in the upcoming choral season to see the continued impact of your donation. Please feel free to reach out to me at [jean-marie@seattlechildrenschorus.org](mailto:jean-marie@seattlechildrenschorus.org) or 206-542-5998 if you have any questions, if you need any additional information, or for more information regarding our upcoming concerts. Thank you again for your support!

Sincerely,

Dr. Jean-Marie Kent, Artistic Director
