**Organization's General Goals:**

We train and give service dogs to honorably discharged veterans in Washington state, free of charge, for life. These companions allow veterans with service-related PTSD (Post-Traumatic Stress Disorder), MST, and other disabilities to live everyday lives that would otherwise be impossible. We provide everything from medical expenses to outfitting and feeding during the initial training and raising period.

# SERVICE PEACE WARRIORS

*"Some battles are still worth fighting"*

Q4 2023 14.2

Service Peace Warriors has placed 90 plus service dogs with veterans to date. When giving a service dog to veterans who are suffering from service-connected Post Traumatic Stress Disorder (PTSD), you are helping the whole family. So many veterans can now go on vacations with their families and go to their kid's games. With the generous grant from Tulalip Tribes Charitable Contributions, we purchased equipment for 5 dogs that went out with their veterans this summer. We then put the rest of the funding towards a large order of dog food and veterinary care that will impact the health and well-being of another 5 dogs that are going out with their veterans in a future group. Attached are photos of the 5 teams (veteran, dog) that benefitted from this grant this summer, as well as some photos of dogs who will be going out later this year.
