Subject: Tulalip Cares Grant #Q3 2022 14.2

Tulalip Charitable Giving,

Thank you, thank you. We received the funding from you for our holiday production of Elf the Musical. We can not put into adequate words what this monetary support does for community theatre. Because of this grant, we were able to purchase much needed new wood for the sets, wonderful costumes for the characters, and recoup some of our initial outlay for the rights to the script. This particular production is a very expensive endeavor, and without the support of Tulalip we would be unable to take on such a large risk before a single ticket had been sold.

Over the course of 7 performances starting December 3rd through 11th (we were delayed our original opening night of December 2nd due to Covid and snow) we had about 1,000 people come to see it, which is more than we expected for 8 performances! We brought many new people in who had never performed with us before, and because of that and the name recognition of the show, many new audience members who now are aware of our group and our beautiful performance space. Over 60 people were on stage, orchestra, backstage, lobby, sound, lighting, concessions, set, costume, and support volunteers. Community theatre for any by the community and gratefully supported by this funding.

Thank you,

Alexandra Clark
