Re: Charitable Contribution, Q2 2023 14.2

Dear Ms. Sheldon,

Since 1997, Step By Step has been serving low-income pregnant and parenting women helping them to have healthy pregnancies and get a good start to parenting. ***Our mission is to equip pregnant women, mothers, and families to positively impact generations.***

Our organization has always been relationship-based and holistic in its approach, as we seek to address the physical, mental, and social well-being of the women and families we serve. Among our programs, we seek to help meet the needs of our clients and their growing families by providing them with basic baby essentials such as car seats, cribs, strollers, breastfeeding equipment, diapers, wipes, baby clothing, and blankets.

One hundred percent of the funds received from the Tulalip Tribes Charitable Contribution in September 2023 was used to support our Vital Baby Needs program. Last year, with your help, we were able to buy and distribute 2,602 baby items including infant car seats, cribs, strollers, diapers, wipes and other baby essentials.

Overall, our organization impacted over 2,321 moms and their children living in Pierce, King, and Snohomish counties.

It has been a great honor to partner with you in creating a positive impact in the lives of the families we serve. Thank you for trusting us as good stewards of your resources. We look forward to continuing to work with you in this new year!

Sincerely,

Janel Tobar  
Development Director
